ELOPED WITH HIS WIFE.

Divorce Suit Was Pending-Couple Reconciled.

MEDPUBLIC SPECIAL. Utica, N. Y., Jan. 25 -Arthur K. Lee a

New York cloped with his own wife from this city to-day.

Mr. Lee met his wife, who was Moss Jen-Mr. Lee met his wife, who was Mrss Jennie Brown of Chicago, four years ago. Herparents objected to the match and, after a time, he and Miss Brown cloped. They returned to Chicago in a few works and resided with his wife's parents. Lee engaging in business with Mr. Brown, an extensive contractor.

Two years ago Lee, his wief and Mrs. Brown came to this city, and Mrs. Lee entered a hospital for treatment. Husband and wife became estranged and Lee went to New Mexico, where he owns an extensive ranch. Mrs. Lee continued to live at the old home with her nother and had begun action in Chicago to secure a divorce.

mutual friend learned that Mrs. Lee A mutual friend learned that Mrs. Lee retained her old love for her husband and brought about a reconcillation. Lee came here a week ago. Mrs. Brown received a letter from the lawyer in Chicago styling that Mrs. Lee must appear there in person Saturday, as the divorce sail would ge on. As Mrs. Brown was ill, she consented that her daughter should go alone. Mrs. Lee informed her bushand of this, and they took the same train, occupying a section of a parlor car.

After a few weeks in the West they will return to New York, where Lee hus lightness interests with his brother. Charles Lee.

VAUDEVILLE TRUST FORMED.

Includes Nearly All the Theaters

in the West.

REPUBLIC SPECIAL

Chicago, Ill., Jan. 25 -A vaudeville combine, modeled on that of regular theaters, was formed at a meeting held here to-day One of the possible results of the combine One of the possible results of the combine may be the leasing of the Columbia Theater of this city to D. F. Hetmessy of the Cleveland Amusement Company.
The conference was attended by Michael Shea of Toronto and Buffalo: M. C. Anderson of the Columbia Theater, Cheveland; George Middleton of the Columbia Theater, St. Louis; Ed Meyerfeld and Fred Buck of the Orpheam Circuit, including Omaha, Kansas City, Deavor, San Prancisco and Lou Angeles, John fe Hopkins of St. Louis, Nashville Memphis, New Orleans and Chicago, and Kohl and Caylle of Chicago.

11 was proposed at one time to classify all acts, paying a regular price for each

all acts, paying a regular price for each classification, but this was voted down. The combination, however, was formed on a powerful basis, and it leaves the East out entirely. In fact, the Eastern managers will have to come to the combine inclead of the reverse. The combination furnishes a twenty-five-week circuit without doubling and ty-five-week circuit, without doubling, an by doubling the entire year can be filled. The main agency will be in Chicago, in another will be established in New York.

HEAD-END COLLISION.

Fifteen Passengers Injured-Two Reported Seriously.

Wayeross, Ga., Jan. 28.—In a dense for this morning a special train of the Plant system, having on board about 190 retail humbers dealers from Indiana, who were en route home from an excursion through South Georgia and Florida, and a freight crashed together head-on in the yards here. Mr. Davis, a hardware dealer of Wabash, and both logs were crushed. They will probably have to be amputated. He may de. Mrs. Smith, who held a baby in her arms suffered severe injuries to one less. This continued in the postmastership of Webster's Webster's Yesterday appointed to the postmastership of Webster's Law Postmaster, with the weakness of the organization which have been rumored that Misjor Wright was 'gesterday appointed to the postmastership of Webster's Law Postmaster, with the weakness of the organization which have been rumored that Misjor Wright was Republic. The speaker then dwelf at considerable leagth on the work of organization which he pointed to the postmastership of Webster's Webster's New Postmaster.

Major H. C. Wright was 'gesterday appointed to the postmastership of Webster's Law Postmaster, with the weakness of the organization which he was eliminated. "Now I'm going to say semething which I have never told before and which have been persistently accused by soreheads of robbing politicians and candidates for office. I have stood quiet under these accounts of this, considerable agitation on the part of other of the place. But there continued, in this city man can get a job as a day laborer for \$2. Think of it! And the worst of it is, these are facts, and susceptible of proof."

The speaker then dwelf at observed the work of organization which he perfected and built up in the city and State for thirty years, and contrasted it with the weakness of the organization which he was eliminated. "Now I'm going to say semething which I have never told before and whileh has never been made public," he said, "I have been persistently accused by soreheads of robbing politicians and candidates for of the part of other Waveross, Ga., Jan. 25.-In a dense for

ASLEEP ON BRINK OF A VOLCANO.

Filley Says That State and City Republican Leaders Threaten the Party's Existence.

ZIEGENHEIN'S POWER IS GONE.

Rotten Spots in His Administration Exposed-Vigorous Speech Before the Good Government Club Last Night.

The Good Government Club is after the municipal consideration, familiarly known as the "c'ity Hall gang," with a red-hol. jugged toker, which it proposes to use in then of the traditional scalpel in laying open the sore spels on the body of the monter pal corporation and exposing to view the growth of afficial corruption beneath the

Following Professor Balsey C fyer's il-Instructed lecture of Last Thursday, Chipuncey I Filley but night addressed the memions of the club on the subject of Turgan ization and City Politica." Professor Ives used a sterespticen to point out the days space in the city's history. Mr. Phley sid not use a stereopticen. He did not us any. He knew the location of the sore and described them so graphically.

minutely and forcibly that the blindest of his auditors had no trouble in seeing them. The speaker confined his remarks entirely to local affairs. He used Mayor Elegenheit.

speak, and at frequent intervals during his autiress his remarks were received with our matitious appliance and cheers.

"Mr. Chairman and members of the Good diovernment Cinh," he said, "I want to address a few remarks to you to highly on the saligest of the principles of good government and illustrate how they are released a year, and hour, a minute, too said. We are seeping on the brink of the crater of a volcano, which threatens to wipe the Republican party out of existence in the city and State. There are good beinggrast in this city and State, and there are good Republicans party out of existence in the city and state. There are good beinggrast in this city and State, and there are good Republicans also, but the good fleudish who makes the said plunging it into darkness and disserted and plunging it into darkness and distinct and good Republicans should unite in their strength and wipe these frichisters out of existence and into political and social oblivion.

"There was a time when the Republican party could carry this city by from Pilits to 2000 majority, but even with the aid of my election law we content pull Minute for the effect of the west of have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the offendiery to run for the affine to have the off

The Party's Degeneration.

"But to-night our refrain is: "We are coming Uncle Heary, The city to restore

"And I note Henry'd better book a leetle out, because we've got 'em on the ran, and we're going to reclaim and reviore the city from his ungoing grasp.
"It won't do to ignore us. The ostrict-like paper on Sixth and Pine attrects ignored gur last meeting, when Professor ives dealt the corruptionists such a body blow. That paper gave us six lines. In 1876 the Sense caper Roored the public demand for on exposure of the whisky ring. It said: 'Give us proof, and we will print it—when all the while the head of the same paper was the chief devil of the whisky ring. So fooday the paper says to Mr. McMath, 'Give his proof of the certugiton you speak of, and we will print it.' Well, they can get it, and they know it! And they know got it, and they know it! And they know fire it, and they know it! And they know fire it, and they want to.' Let them demand it from the proper officials charged with that duty and they will get it! But will they? Oh, no. They might incover something they wish to keep buried.

"So the paper ignores us, ignores the demands of good government, ostrich-like, with its bead in the sand and its tell up. I ain't that way, thank God! I'm head and tail up, and they're not placking any feathers from my wings, although the political harlot of a paper announced several years ago that I was dead, dumb, purphind, feeble, cripple, hall and sentle. Do I look it? To I look it to-day?

"Not and I'll live to put some of those lend-monthed vawpers into their political graves after I've cremated them in the crematory of public criticism."

"Ye been linked with the principle of good government since the first Republication, They been linked with the principles of good government since the first Republication, They been linked with the principles of good government since the first Republication, They been linked with the principle of good government since the first Republication. "And I'mele Henry'd better took it feetle

Mayor was elected in 1852. The principles I barned and advocated then I represent now. They are not the principles advocated by the party now in power in this city. If any of you have an bles that the Regulation party could elect anybody in this city is one for the city of your have an election were held, you are it derived sight smarter figurers than I am. If you think that the lower house and Counsil have been a credit to the city God help your moral perception.

"And the Mayor! You are now in the threes of durkness whose business was it to prevent such a columity? Whose fault that it was not done? The Mayor Way didn't he look the stable door before the borse was stoken? Why did he not see, as he had a right to, that proper provision was notice for lighting the city."

The speaker then told of his conduct while Mayor in 1852 with the gasilight company, under somewhat similar conditions. He also reviewed an attempt made at that time, as it has since been made, by outside parties to obtain control of the Waterworks, and how he frustrated it.

"By all means," he said, "by us extend our Waterworks and affler our water if need be had is it is not it by any through the city, and not through any tideving cique of roblers from outside."

"It then gave a brief history of the growth of the street railroads and their attempt to obtain valuable franchiess for eaching during his administration, just as they do nowadays.

"Shish was floating around then as freely as now," he said, "Do you thick it is not it is not it is not the ast have been a millionaire dishonestly if I so desired in those days."

"I tell you, my friends, the street railroad companies will eventually own you, both and soul, almost, miless you units to defeat their methods, Don't Brown Brothers own this town," Don't they run it? Don't they run it? Don't they run it? Wait and see, Just think, \$12,00,000 of rail-way stock watered up to \$50,000,000 of rail-way stock watered. By to \$50,000,000 of rail-way stock watered.

Wall and see. Just think, his walls of fail-way stock watered up to \$80,000,000, Who gets the water? Not the barefooted fel-Filley Tells Some Secrets.

They say that a man can get on the ire Department for \$30 to \$50. And a

the task of reorganizing the party in this city in 1886, just after Kerens and his crew had made a sad mess of the work, one of the first legar ies I received wan a \$1.000 of the received wan a \$2.000 wellet, which I had to make good. But that was a write.

The entire cost of organization, colonization and registration of the voters of this city in the sampalism preceding the election of Ziegethieli was bostne by whom? By me every red cent of it, I mortgaged my property, and meet the salary which I was to have received when Mayor Walbridge appetited meet first was from 3 until 5 when Mrs. The first was from 3 until 5 when Mrs. Linky invited many matrons and unusertied women to call.

The house was arranged with the converse the chair as the Mayor is acceptable to the chair as the Mayor is acceptable to the efficiency to say that I am in positive age. The house was arranged with the converse portered in smiles, and roses of the half and particle in the life beautiful fact is that on many manifers half, placed during the efficiency to say that I am in positive age. I have had out my own modely to make I house in a current of received with a mass of fearers with the said converted man.

Midnight Fire in the County.

Midnight Fire in the County.

The Iwe-story frame recidence at 622 Cauchy avenue, St. Locia County, occupied by George Curran, wife and chaiten, was nestroyed by fire shortly before midnight Wednesday. Mr. Curran expected to be definited downtown late that day and had taken his front door key with him, leaving the building without egress in front. The fire closed the back of the dwelling to passage and the limited were forced to escape through win lows. Mrs. Curran was aroused by highters. She quickly awakened her children and all had time to partially dress before leaving the building. Some of the furnitare and orticles of suparel were succe. The house was owned by Barnet Kette, who lives at 622 Catalye avenue. The property demane is about \$2,990, covered by maurance.

He is now in Tennessee, she says, but the letters she has sent him have not been answered. Until a few weeks ago she earned her living by deing odd work in the neighborhood and boarding her father, who had a position which paid him a few dollars each week. He wandered away shortly before Christmas and she has not heard of him since. The Police Department, to which she reported his disappearance, has not been able to find a trace

ing of the Joint Scale Committee of the of him. 'nited Mine Workers of America and Interstate Operators' Association, which was

state Operators' Association, which was held this afternoon and this evening resulted in a deadlesk and no report will be solted in a deadlesk and no report will be soften owning at the joint session, which will probably be called to-morrow. All the members were there from the competitive fields. The first demand of the miners was for mine run, which the operators declined to entertain. The matter was reargued at length, and finally an adjournment was had without reaching a solution of the matter. The miners left, it is understood, to report back to the delegates, who remain in the day, and 't is understood a meeting will be called for that purpose to morrow morning. This meeting was in the nature of a positional part of the delegate to have the other show its hand.

The seventy-five lows operators who came with the expectation of being scated in the joint conference left for their homes. Last week a friend suggested that she place the children in some asylom until the obtained enough money to take them out. Mrs. Hesse was told that the German Mrs. Hesse was told that the German Protestant Orphans' Home, on the St. State. The of the United Mine Workers. The delegates from the lowe miners remained in the city to await the result of the joint conference.

"STORY OF THE LEPER."

Father Nugent's Lecture at St. Leo's Church.

The Very Reverend Father F. V. Nugent delivered a highly interesting lecture last evening at St. Leo's Church, for the benefit evening at St. Leo's St. Leo's Church, for the benefit evening at St. Leo's St. Leo's Church, for the benefit evening at St. Leo's St. Leo's Church, for the benefit evening at St. Leo's St. Leo's Church, for the benefit evening at St. Leo's St. Leo's Church, so the called on Air. Stackenberg and told him that if he did not take her children and give her an opportunity to earn her own living, she would kill them and herseef. He gave her the same a hewer as before, the success of the office. A near ste mier Air. Stockenberg and take her children and give her an opportunity to earn her own living, she would kill them and herseef. He gave her the same answer as before, the give her an opportunity to earn her own living, she would kill them and herseef. He gave her the same answer as before, the give her an opportunity to earn her own living, she would kill them and herseef. He gave her the same answer as before, the gave her the vening at St. Leo's Charch, for the benefit | with water. FAILURE TO GET WORK

vented Mrs. Julia Hesse From Carrying Cut Her Purpose.

Mrs. Hesse was deserted by her husband

Left in these straits, Mrs. Hesse applied for a place in several households where women were wanted for general housework. At each she was told she might have employment if it were not for her children. Mrs. Hesse did not know what to dr. for the wages offered her were not sufficient to pay the children's bound

Charles Rock road, was an excellent place, and she want at once to the office of the president John Stackenberg at No. 917 North Broadway, and asked him to take her children for a time. Sie promised to pay, sie said, jesterday, as much is she The seventy-five lows operators who came with the expectation of being scated in the loint conference left for their homes to-shy at moon. White some of them expressed disappointment, the operators who remain force are of the opinion that they are pleased with the action taken and resilie were indifferent as to whether or fast they entered the competitive field. In the course of a short line the operators will meet the miners of that State at Des Mohes, and it is believed that the denial of admission to the competitive field will be of strait service to the operators when the mouter of scale cames up for considers and refused to be quieted. Yes considera- terday morning, according to the story then. The miners are well organized in the State. The miners are well organized in the State. The of the Bond working there being members of the United Mine Workers.

Ills rubbot was the "Story of the Leper." A larger and distinguished audience, among than were the haim he erend Archbishop Kare and very many of the Cribolic ciergy of St. Louis, was present. In the "Story of the Leper," Father Nigent traces the history of leprosy in Armedica from the time it was first introduced into "Arcadia," now Nova Scotta, he some shipwrecked See dish sallors to the present day, the discussed the disease and he relember ravaces upon the body, officing to yield to any maner of treatment yet discussed, and pictured with horrible realism the montal animalsh that mass be endured by the leper until death came as welcome rubbe rober to an existence that was worse than death.

Father Nugent devoted considerable attendon to the Lepers' Asylum in Louisiana, and paid a glowing tribute to the Sisters of Charity, who had volunteered to care for its immates, after the institution was found to have been conducted in a manner than shocked animality, when it was discovered, and that he described as barbor that shocked animality, when it was discovered and their conducted in a manner in which she had been treated. She said that she was been dead, too, if I might as well be dead as here," said that the to kill my husband, but he bedded.
